

Dear Hiring Manager,

I am writing to express my interest in the Python Software Developer position at your company. With 3.5+ years of experience in software development and enhancement, specializing in Python, ERP development, and testing, I am confident in my ability to contribute effectively to your team. My technical skills include Python, C, MySQL, and various software frameworks and tools such as OpenERP and JIRA. I have a Bachelor's degree in Information Technology and have worked on projects involving Python scripting, web application development, and database design. I am a proactive team player with strong communication and problem-solving skills. I am excited about the opportunity to leverage my skills and experience to support the growth and success of your organization.

Thank you for considering my application. I look forward to the possibility of discussing my application with you further.

Sincerely,
Priyanshu
